

Hi! My name is Phillip....and I'm ready and available to be adopted.

Judge for yourself but Mom says I'm a real cutie and have a sweet disposition.

I adore my humans, love to run and play with the other playmates and am very well socialized. I stand about 16" tall at the shoulders, weigh 25 pounds and am ~ 9 months old.

I'm crate, leash and house trained, have been neutered and microchipped, have had my immunizations (parvo, distemper, rabies & Bordetella); and am on heart worm and flea preventative. Phone Godbey Creek Canine Rescue at 336.972.4511 for a visit.
